

North Perry Pee Wee Association

Parent-Coach-Player Code of Conduct

- 1.) Disrespectfully addressing officials and showing resentment toward decisions, and violations of the rules should not occur even though an official may make an error. Coaches, players, and spectators must realize there is no game played in which coaches and players do not also make errors.
- 2.) No one will tolerate poor sportsmanship toward the coach or players because of this. In the same regard, everyone must show respect toward the game officials.
- 3.) Coaches, players, parents, and fans who show disrespect to opposing players and officials are a liability rather than an asset to the Pee Wee program.
- 4.) The following are important items for good sportsmanship:
 - Courteous treatment of all officials, opposing players, and fans.
 - Refraining from derogatory remarks addressed toward officials and players, taunting actions and cheering decisions made by officials against opposing teams
 - Graciously accepting the decisions of the officials against a team by refraining from making unsportsmanlike comments, booing, and jeering.
 - Be humble in victory and gracious in accepting defeat.
- 5.) The action of a few individuals ruin the enjoyment for the majority of parents or fans who demonstrate their approval and support when their team does something right, who suffer in silence when things go wrong and who do not blame the officials for each loss.
- 6.) The use of alcohol and tobacco products on any athletic field is strictly prohibited.
